As many Village Members and Volunteers may know, David McMann is a committed member of the JFS staff who is currently part of the JFS Village, Care Navigation, and JFS COMPASS programs serving our aging community members. David is a Registered Nurse with a BS in Nursing and a Master’s in Business Administration. His career includes a variety of staff, management, and administrative positions in both hospital and long-term care settings. Prior to joining JFS, David served as the Director of Nursing with an Assisted Living Community in Hockessin, Delaware.

David brings his insight, compassion and astute observation of others to help him excel in his job. We were fascinated to recently learn that David is a newly-minted world traveler; in the last ten years David has been traveling at least once a year to wonderfully exotic locales as far reaching as Nepal, South America, Thailand, Peru and now Egypt and that is just a small taste! His interest in other cultures and people is no surprise when you think about his approach to his work. He’s curious, open to new experience, and affable to all.
BRAIN BOOSTER!

Find the words in the grid. When you are done, the unused letters in the grid will spell out a hidden message. Pick them out from left to right, top line to bottom line. Words can go horizontally, vertically and diagonally in all eight directions.

The JFS Village
A Membership Community
The JFS Village is a community of support that provides older adults the services they need to enhance quality of life, remain active, and encourage independence.

JFS Mission & Vision
To strengthen individuals, families, and the community by providing counseling and support services, based on Jewish values.

Our vision is to use our evolving position as a key social service in Delaware to strengthen the support available to our most underserved populations.
