Independent Auditors' Report

To the Board of Directors of Jewish Family Services of Delaware Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Jewish Family Services of Delaware Inc. and affiliate (nonprofit organizations), which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Jewish Family Services of Delaware Inc. and affiliate as of December 31, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of Jewish Family Services of Delaware Inc. and affiliate and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design,

To the Board of Directors of Jewish Family Services of Delaware Inc.

implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family Services of Delaware Inc. and affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated
 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 Jewish Family Services of Delaware Inc. and affiliate's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting
 estimates made by management, as well as evaluate the overall presentation of the consolidated financial
 statements.

To the Board of Directors of Jewish Family Services of Delaware Inc.

> Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family Services of Delaware Inc. and affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the consolidating schedules of financial position and activities, and the schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Belfint, Lyons & Shuman, P.A.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2023, on our consideration of Jewish Family Services of Delaware Inc. and affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Jewish Family Services of Delaware Inc. and affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Jewish Family Services of Delaware Inc. and affiliate's internal control over financial reporting and compliance.

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - The purpose of Jewish Family Services of Delaware Inc. (JFS), a nonprofit organization located in Wilmington, Delaware, is to strengthen individuals, families, and the community by providing counseling and support services, based on Jewish values.

On July 1, 2020, JFS was named sole corporate member of Cancer Care Connection, Inc., a separate nonprofit organization. This transaction was treated as an acquisition in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-805, *Business Combination*.

Cancer Care Connection, Inc. (CCC), is dedicated to being a comprehensive psychosocial resource for people affected by cancer. CCC pursues its mission by guiding individuals through the complex care delivery system and linking them to the services they seek, as well as providing therapeutic interventions to reduce cancer related distress. CCC's core program provides professionally staffed, phone-based support and in-person therapy at cancer center partner locations.

Principles of Consolidation - The accompanying consolidated financial statements include the accounts of JFS and CCC. All intercompany accounts and transactions have been eliminated. In these consolidated financial statements, JFS and CCC are collectively referred to as the Organization.

Basis of Accounting - The Organization prepares its consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, which involves the application of accrual accounting.

Change in Accounting Principle - In February 2016, FASB issued ASU 2016-02, Leases (Topic 842). The update increases transparency and comparability among organizations by recognizing lease assets and lease liabilities on the consolidated statements of financial position and provides additional key disclosures about leasing agreements. During the year ended December 31, 2022, the Organization changed its accounting method for leases as a result of implementing the requirements in Topic 842. The Organization, as a lessee, classified its leasing arrangements as operating leases or finance leases in accordance with Topic 842.

<u>Operating Leases</u> - For operating leases, the Organization is required to recognize a right-of-use asset and lease liability, initially measured at the present value of the lease payments in the consolidated statements of financial position. The Organization recognizes a single lease cost, allocated over the lease term on a straight-line basis in the consolidated statements of activities. The Organization classifies all cash payments within operating activities in the consolidated statements of cash flows.

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Change in Accounting Principle - Continued

<u>Finance Leases</u> - For finance leases, the Organization is required to recognize a right-of-use asset and lease liability, initially measured at the present value of the lease payments in the consolidated statements of financial position. The Organization recognizes interest on the lease liability separately from the amortization of the right-of-use asset in the consolidated statements of activities. The Organization classifies repayments of the principal portion of the lease liability within financing activities and payments of interest on the lease liability and variable lease payments within operating activities in the consolidated statements of cash flows.

The Organization adopted the standard effective January 1, 2022, and recognized and measured leases existing at, or entered into after, January 1, 2022 (the beginning of the reporting period of adoption). A right-of-use operating lease asset and a lease liability were recognized in the amount of \$119,873 on January 1, 2022; therefore, no cumulative effect adjustment was necessary. Lease disclosures for the year ended December 31, 2021, are made under prior lease guidance in FASB ASC 840.

The Organization has elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on a straight-line basis.

The Organization elected the practical expedient to not separate lease and non-lease components.

Use of Estimates - The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - The Organization considers all cash and highly liquid investments with maturities of three months or less at the time acquired to be cash and cash equivalents.

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Patient Accounts Receivable - Patient accounts receivable consist primarily of amounts due from patients and insurance companies. Accounts receivable are stated at estimated realizable value, with initial estimates of contract allowances and bad debts considered in determining the contract price. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of patients to meet their obligations. The allowance for doubtful accounts was \$154,993 and \$133,890 as of December 31, 2022 and 2021, respectively. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Grants Receivable - Grants receivable represent pledged grants or amounts due from government agencies. There were no long-term contributions or grants receivable as of December 31, 2022 and 2021. As of December 31, 2022, management believes grants receivable will be fully collected within one year; therefore, no allowance has been recorded.

Property and Equipment - Property and equipment are stated at cost when purchased by the Organization. The Organization's capitalization threshold is \$5,000. Acquisitions below this amount are expensed. The costs of capitalized assets are depreciated over the estimated useful lives of the assets on a straight-line basis. Useful lives range from 3 to 20 years.

Investments - Under ASC 958, investments are reported at their fair value in the consolidated statements of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as net assets with donor restrictions and are then reclassified to net assets without donor restrictions upon expiration of the time or purpose restriction. Contributed securities are recorded at their fair value at date of receipt.

Financial Statement Presentation - In accordance with FASB ASC 958, *Not-for-Profit Entities*, net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

<u>Net Assets Without Donor Restrictions</u> - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions, although their use may be limited by board designation.

<u>Net Assets With Donor Restrictions</u> - Net assets subject to donor- or certain grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Financial Statement Presentation - Continued

<u>Net Assets With Donor Restrictions - Continued</u> - purpose for which the resource was restricted has been fulfilled, or both. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

The Organization has elected the simultaneous release accounting policy for cost-reimbursement government grants and, accordingly, reports such grants as increases in net assets without donor restrictions.

Revenue Recognition for Contributions and Grants - Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance barrier and a right of return, are not recognized until the conditions on which they depend have been substantially met. Certain government grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses for the Organization's programs. As of December 31, 2022 and 2021, conditional contributions of \$4,254,861 and \$822,625, respectively, for which no amounts have been received in advance, have not been recognized in the accompanying consolidated financial statements. Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

In-Kind Contributions - The Organization's contributed nonfinancial assets include donated professional services, donated equipment, and other in-kind contributions which are recorded at their estimated fair values. The Organization does not sell these donated goods. In addition to contributed nonfinancial assets, volunteers contribute time to program services and administrative activities; however, the consolidated financial statements do not reflect the value of these contributed services, because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods and services are recorded at fair value at the date of donation. No significant contributions of such goods or services were received during the years ended December 31, 2022 and 2021.

Donations of property and equipment are reported as net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. In the absence of explicit donor stipulations, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Revenue Recognition for Contracts with Customers - In accordance with FASB ASC 606, the Organization recognizes revenue resulting from exchange transactions when it satisfies its performance obligations by transferring control over a product or service to a customer. The following is a description of the principal exchange transactions from which the Organization generates revenue from contracts with customers:

<u>Counseling Fees and Contract Revenues</u> - The Organization provides a network of support to provide counseling and care services to strengthen individuals, families, and the community. These services are generally provided on demand, and revenue is recognized at a point in time when services are provided. Counseling fees are comprised of direct payments from patients, insurance payments, as well as subsidy payments made on behalf of families from the State of Delaware's Division of Prevention and Behavioral Health.

<u>Care Management</u> - Revenue from care management consists primarily of services provided to assist and advocate for older or physically disabled individuals. Services provided include social and wellness activities, assistance with application for benefits and medical care, as well as mental health, legal or financial services. The Organization also provides dementia-specific medical care to individuals with dementia and social support for their caregivers.

Since June 2018, the Organization has had a contract with a local senior housing facility to provide care management services to residents. In December 2022, the contract was renewed for a term of 24 months. The contract for services has the same timing and pattern of transfer and is a series of distinct services that are considered one performance obligation that is satisfied over a period of time. Accordingly, revenue is recognized on a monthly basis over the contract period. In addition, care management services are offered to individuals. These services are generally provided on demand, and revenue is recognized at the point in time services are provided.

Care management includes services provided under the former JFS Village Network program that provides older adults the services needed to enhance quality of life, remain active, and encourage independence. Revenue from membership fees is recognized on a monthly basis over the membership period. The Organization also provides transportation services to older adults and recognizes revenue at the point in time the related services are delivered.

Program fees received in advance of satisfying performance obligations are deferred to the applicable period in which the related service obligations are performed.

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Revenue Recognition for Contracts with Customers - Continued

<u>Fundraising Income - Special Events</u> - The Organization recognizes special event revenue equal to the cost of direct benefits provided to the donor, and contribution revenue for the difference. Special event revenue equal to the cost of direct benefits provided to the donor is recognized at the time the benefits are delivered, generally when the event occurs. Contribution revenue resulting from special events is recognized upon receipt. The Organization reports special event revenue on the consolidated statements of activities net of direct expenses.

Functional Allocation of Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on a reasonable basis that is consistently applied. Salary and related expenses are allocated based on time and effort. Insurance, rent and occupancy, telephone and internet, janitorial and maintenance, depreciation, and conferences and staff training expenses are allocated based on full time equivalent and direct costs.

Advertising - The Organization expenses the cost of advertising when incurred.

Income Taxes - JFS and CCC are nonprofit organizations exempt from federal and state income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (IRC); therefore, no provision for income taxes has been made in the accompanying consolidated financial statements. The organizations have also been classified as entities that are not private foundations within the meaning of Section 509(a) and qualify for deductible contributions as provided in Section 170(b)(1)(A)(vi).

Income not related to the organizations' tax-exempt purpose may be subject to taxation as unrelated business income. Accounting principles generally accepted in the United States of America impose a threshold for determining when an income tax benefit can be recognized in regard to uncertain tax positions. The Organization has determined that no liability for uncertain tax positions is required to be accrued and included in the consolidated statements of financial position as of December 31, 2022 and 2021. The federal informational returns of JFS and CCC are subject to examination by the tax authorities, generally for three years after they are filed.

Subsequent Events - The Organization's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the consolidated financial statements or disclosure in the notes to the consolidated financial statements. Management has evaluated events and transactions through the date of the independent auditors' report, which is the date the consolidated financial statements were available to be issued.

NOTE 2: AVAILABILITY AND LIQUIDITY

The following reflects the Organization's financial assets as of the date of the consolidated statements of financial position, reduced by amounts not available for general use because of contractual, board-designated, or donor-imposed restrictions within one year of the consolidated statements of financial position date:

	2022	2021
Financial Assets as of December 31		
Cash and Cash Equivalents	\$ 1,562,763	\$ 1,009,871
Cash and Cash Equivalents - Restricted for Capital Projects	215,630	-
Patient Accounts Receivable - Net	130,087	166,102
Grants Receivable	500,296	413,163
Investments	196,453	533,061
Beneficial Interests in Funds Held at Delaware Community Foundation	246,351	286,820
Total Financial Assets as of December 31	2,851,580	2,409,017
Less: Amounts Not Available for General Expenditures Within One Year		
Board-Designated Operating Reserve	(260,019)	(230,000)
Board-Designated Endowment Funds in Excess of Annual Spending Policy	(187,824)	(503,089)
Donor-Imposed Purpose Restrictions	(1,047,996)	(518,869)
Donor-Restricted Endowment Funds in Excess of Annual Spending Policy	(249,463)	(259,485)
Contractual Obligation - Unspent Fellowship Program Income	(29,983)	
Financial Assets Available to Meet Cash Needs for General		
Expenditures Within One Year	\$ 1,076,295	\$ 897,574

The Organization has a goal to maintain financial assets on hand to meet 90 days of normal operating expenses. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

As described in Note 10, as of December 31, 2022, the Organization had available lines of credit totaling \$50,000 that could be drawn upon in the event of an unanticipated liquidity need. As noted in the chart above, the Organization also has a board-designated operating reserve that could be used in the event of financial distress. The Organization has a policy to budget in a manner to build the operating reserve by a minimum of 30,000 each year.

All donor-restricted and board-designated endowment funds held in investments are subject to an annual spending policy of 3%, and all donor-restricted and board-designated endowment funds held at Delaware Community Foundation are subject to an annual spending policy of 5%, as described in Note 9. Endowment fund amounts in excess of the annual spending policy have been reflected as unavailable for general expenditures within one year in the preceding chart.

NOTE 2: AVAILABILITY AND LIQUIDITY - CONTINUED

Although the Organization does not intend to spend from the board-designated endowment funds (other than amounts appropriated for general expenditures through the annual spending policy), these amounts could be made available by a board resolution in the event of financial distress or an immediate liquidity need.

NOTE 3: CASH, CASH EQUIVALENTS, AND RESTRICTED CASH

	2022	2021
Cash and Cash Equivalents Cash and Cash Equivalents - Restricted for Capital Projects	\$ 1,562,763 215,630	\$ 1,009,871
Total Cash, Cash Equivalents, and Restricted Cash Reported on the Statements of Cash Flows	\$ 1,778,393	\$ 1,009,871

NOTE 4: CONCENTRATION OF CREDIT RISK

The Organization maintains cash balances at various financial institutions, which at times exceed federally insured limits. Although the Organization's cash balances may exceed insured limits in the normal course of business, in management's opinion, there is no substantial risk associated with this concentration. The amount of credit exposure in excess of federally insured limits for cash and cash equivalents as of December 31, 2022 and 2021, was \$1,320,841 and \$533,891, respectively.

NOTE 5: FURNITURE, FIXTURES, AND EQUIPMENT

Furniture, fixtures, and equipment consisted of the following as of December 31:

	2022		 2021
Improvements	\$	171,309	\$ 171,309
Furniture and Fixtures		226,697	226,697
Office Equipment		227,070	227,070
Construction in Progress		21,713	
		646,789	625,076
Less: Accumulated Depreciation		(583,247)	 (563,401)
Furniture, Fixtures, and Equipment - Net	\$	63,542	\$ 61,675

NOTE 6: INVESTMENTS

The Organization has invested funds with Jewish Fund for the Future. The underlying investments are marketable debt and equity securities. Investments are marked to market on a regular basis by Jewish Fund for the Future, and the Organization recognizes its investments at fair value accordingly. Cost and fair value of the investments were as follows as of December 31:

Jewish Fund for the Future	Cost		Fa	air Value
2022	\$	168,148	\$	196,453
2021		409,074		533,061

NOTE 7: BENEFICIAL INTEREST IN FUNDS HELD AT DELAWARE COMMUNITY FOUNDATION

The Organization established a fund at Delaware Community Foundation (DCF) and designated itself as the beneficiary subject to the terms of the fund agreement. The purpose of the Jewish Family Services of Delaware Fund (Fund) is to provide for the long-term stability of the Organization. In order to carry out the purpose and objective of the Fund, the Organization and DCF must agree upon a percentage of principal assets of the Fund to be distributed to the Organization annually. The Organization recognizes its investments held by DCF in accordance with FASB ASC 958. The Organization is entitled to receive quarterly distributions of income. The investment balance at DCF was \$246,351 and \$286,820 as of December 31, 2022 and 2021, respectively. There were no distributions from the Fund during the years ended December 31, 2022 and 2021.

NOTE 8: FAIR VALUE MEASUREMENTS

The Organization follows the provisions of FASB ASC 820, Fair Value Measurements and Disclosures. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access. Since valuations are based on quoted market prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

NOTE 8: FAIR VALUE MEASUREMENTS - CONTINUED

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Fair values of assets measured on a recurring basis were as follows as of December 31:

				2	022			
	F	air Value	Active M Identica	Prices in arkets for Assets rel 1)	Obser	ficant Other rvable Inputs Level 2)	Signit Unobse Inputs (I	ervable
Investments	\$	196,453	\$	-	\$	196,453	\$	_
Beneficial Interest in Funds Held at Delaware								
Community Foundation		246,351				246,351		
Total Investments	\$	442,804	\$		\$	442,804	\$	
				2	021			
	F	air Value	Active M Identica	Prices in Tarkets for al Assets rel 1)	Obser	ficant Other rvable Inputs Level 2)	Signif Unobse Inputs (I	ervable
Investments Beneficial Interest	\$	533,061	\$	-	\$	533,061	\$	-
in Funds Held at Delaware Community Foundation		286,820		<u>-</u>		286,820		
Total Investments	\$	819,881	\$		\$	819,881	\$	

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions.

NOTE 9: ENDOWMENT

The Organization's endowment consists of approximately 15 individual funds established for a variety of purposes. Its endowment includes both donor-restricted funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

NOTE 9: ENDOWMENT - CONTINUED

The Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. As a result of this interpretation, the Organization retains in perpetuity (a) the original value of the initial gift amount donated to the Fund (including promises to give net of discount and allowance for doubtful accounts), (b) the original value of subsequent gifts donated to the Fund, and (c) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the Organization and the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the investment policies of the Organization.

The fund's net asset composition based on the existence or absence of donor-imposed restrictions was as follows as of December 31:

		2022	
	Without Donor	With Donor	_
	Restrictions	Restrictions	Total
Board-Designated Endowment Funds	\$ 192,577	\$ -	\$ 192,577
Donor-Restricted Endowment Funds

Accumulated Investment Gains		122,571	122,571
Total Donor-Restricted Endowment Funds		250,227	250,227
Total Endowment Funds	\$ 192,577	\$ 250,227	\$ 442,804
		2021	
	Without Donor	With Donor	
	Restrictions	Restrictions	Total
Board-Designated Endowment Funds	\$ 526,260	\$ -	\$ 526,260
Donor-Restricted Endowment Funds			
Original Gift Amounts Required to be Retained in Perpetuity	-	127,656	127,656
Accumulated Investment Gains		165,965	165,965
Total Donor-Restricted Endowment Funds		293,621	293,621
Total Endowment Funds	\$ 526,260	\$ 293,621	\$ 819,881

NOTE 9: ENDOWMENT - CONTINUED

Changes in endowment net assets for the years ended December 31, 2022 and 2021, were as follows:

	Without Donor Restrictions		With Donor Restrictions		Total
Endowment Net Assets - January 1, 2021	\$	468,454	\$ 260,505	\$	728,959
Investment Return					
Investment Income - Net of Fees		5,392	2,370		7,762
Net Gains - Realized and Unrealized		52,414	30,746		83,160
Total Investment Return		57,806	33,116		90,922
Contributions			 		
Appropriation of Endowment Assets for Expenditure			<u>-</u>		
Endowment Net Assets - December 31, 2021		526,260	293,621		819,881
Investment Return (Loss)					
Investment Income - Net of Fees		2,589	2,440		5,029
Net Losses - Realized and Unrealized		(86,272)	(45,481)		(131,753)
Total Investment Return (Loss)		(83,683)	(43,041)		(126,724)
Contributions			_		
Appropriation of Endowment Assets for Expenditure		(250,000)	(353)		(250,353)
Endowment Net Assets - December 31, 2022	\$	192,577	\$ 250,227	\$	442,804

Spending Policy - The Organization's policy allows annual distributions up to 3% of the fund's prior year fair value that is held in investments and 5% of the fund's prior year fair value that is held at Delaware Community Foundation. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to continue to grow. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional growth through new gifts and investment return.

NOTE 9: ENDOWMENT - CONTINUED

Investment Return Objectives and Risk Parameters - The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s), as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 Index while assuming a moderate level of investment risk. The Organization expects its endowment funds, over time, to provide an average rate of return that is sufficient to offset normal inflation plus the spending policy. Actual returns in any given year may vary from this amount.

Investment Strategies Employed for Achieving Objectives - To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Funds with Deficiencies - From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature are to be reported in net assets with donor restrictions. There were no deficiencies in funds as of December 31, 2022 and 2021.

NOTE 10: LINE OF CREDIT

JFS had an available line of credit from TD Bank of \$100,000 as of December 31, 2021. During December 2022, the available line of credit was increased to a total of \$250,000. Effective December 2022, the line of credit bears interest at a rate equal to the *Wall Street Journal* prime rate, with a floor of 7.00%. Prior to December 2022, the line of credit bore interest at a rate equal to the *Wall Street Journal* prime rate plus 1%, with a floor of 4.25%. The effective rate of the line of credit as of December 31, 2022 and 2021, was 7.50% and 4.25%, respectively. The line is secured by all assets of JFS. As of December 31, 2022 and 2021, the line had an outstanding balance of \$250,000 and \$0, respectively.

CCC had an available line of credit from M&T Bank of \$50,000 as of December 31, 2022 and 2021. The interest rate as of December 31, 2022 and 2021 was 9.75% and 6.75%, respectively. As of December 31, 2022 and 2021, there was no outstanding balance.

NOTE 11: CONDITIONAL CONTRIBUTION - PAYCHECK PROTECTION PROGRAM LOAN

In May 2020, JFS received a loan from WSFS Bank in the amount of \$439,113, pursuant to the Paycheck Protection Program (PPP) under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which was enacted March 27, 2020.

PPP loans contain provisions to forgive all or a portion of the funds borrowed based on a calculation that considers the borrower's incurrence of eligible costs and maintaining employee and salary levels for a period of time after receipt of the loan funds. PPP loans have a maturity of two years and incur interest at a rate of 1%. During the year ended December 31, 2020, JFS utilized the loan proceeds for purposes consistent with the PPP and submitted an application for forgiveness. JFS was notified on March 7, 2021, that its PPP loan was forgiven in full. As a result, \$439,113 is recognized as a government grant - PPP loan forgiveness in the consolidated statement of activities for the year ended December 31, 2021.

NOTE 12: NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions consisted of the following as of December 31:

	2022	2021
Undesignated	\$ 639,165	\$ 723,814
Board-Designated for Specific Purposes

Beginning of Year	\$ 166,102	\$	141,833	
End of Year	130,087		166,102	

NOTE 15: INVESTMENT GAINS (LOSSES)

Investment gains (losses) consisted of the following for the years ended December 31:

	2022	2021
Realized Gains (Losses) - Beneficial Interest in Funds at DCF	\$ (42,820)	\$ 30,299
Realized Gains - Investments	6,749	36,700
Unrealized Gains (Losses) - Investments	 (95,682)	 16,161
Total	\$ (131,753)	\$ 83,160

NOTE 16: PENSION PLAN

The Organization sponsors a 401(k) retirement plan with a safe harbor, employer-matching feature. The safe harbor contributions are a 100% match on employee salary deferrals up to 4% of compensation. Additional matching contributions and qualified non-elective contributions are made at the discretion of the Organization. Eligible employees may participate in elective deferrals on the date of employment. Eligible employees may participate in the safe harbor matching contributions and discretionary employer contributions after completing one year of service and attaining the age of 21.

Contributions to the plan for the years ended December 31, 2022 and 2021, were \$26,110 and \$34,976, respectively. Pension plan expenses for the years ended December 31, 2022 and 2021, were net of plan forfeitures and totaled \$36,914 and \$22,040, respectively.

NOTE 17: LEASE AGREEMENTS AS LESSEE

JFS leased approximately 1,800 square feet of office space for its satellite office in Lewes, Delaware. The lease was set to expire in November 2023 and required monthly payments of \$2,500, with a 3% increase in the annual base rent each December. The lease was classified as an operating lease and offered an option of renewing for an additional term of four years. In January 2023, JFS entered into an agreement with the landlord to terminate the lease early and moved out of the space on January 1, 2023. Total expense under the lease was \$33,091 and \$29,869 for the years ended December 31, 2022 and 2021, respectively.

JFS leases 7,287 square feet of office space from the Jewish Federation of Delaware (Federation) at the Harry & Jeanette Weinberg Jewish Community Campus, located in Wilmington, Delaware under an agreement that is classified as an operating lease. The lease, which expired December 31, 2022, was renewed for an additional one-year term, effective January 2023, with the option to renew for four additional one-year terms. On January 1, 2023, a right-of-use asset and lease liability will be recorded in the amount of \$401,023. Since it is reasonably certain JFS will exercise these renewal options, a lease term of five years was used to determine the value of the right-of-use asset and lease liability. Rent is determined annually according to the Federation's facilities management budget and is paid monthly. Total expense under this lease was \$83,840 for the years ended December 31, 2022 and 2021.

During the year ended December 31, 2018, JFS entered into a lease agreement classified as an operating lease for office equipment which expired in December 2022. Total expense under this lease was \$9,714 and \$8,770 for the years ended December 31, 2022 and 2021, respectively. In January 2023, JFS entered into a new lease agreement classified as an operating lease for office equipment which expires in December 2027. On January 1, 2023, a right-of-use operating lease asset and lease liability will be recorded in the amount of \$39,048. The lease requires monthly payments of \$778.

During the year ended December 31, 2022, JFS entered into a lease agreement classified as an operating lease for office space in Newark, Delaware. The lease commenced on December 1, 2022 and expires on November 30, 2025. The lease requires initial monthly payments of \$750 with a \$50 annual increase in the monthly base rent each December. On December 1, 2022, a right-of-use operating asset and lease liability were recorded in the amount of \$25,799. Total expense under this lease was \$750 for the year ended December 31, 2022.

Prior to August 2022, CCC leased office space in Newark, Delaware on a month-to-month basis. During the year ended December 31, 2022, the lease agreement was amended to establish a lease term of one year beginning on August 1, 2022. Following the expiration of the initial term, the lease will be automatically extended on a monthly basis unless either party provides written notice of cancellation with 60 days advance notice. As a result of these terms, the lease qualifies for the short-term lease exception in FASB ASC 842. The lease requires initial monthly payments of \$250 with a \$25 annual increase in the monthly base rent each August. Total expense under this lease was \$2,020 and \$1,320 for the years ended December 31, 2022 and 2021, respectively. The future minimum lease payments required during the year ending December 31, 2023, is expected to be approximately \$1,750.

NOTE 17: LEASE AGREEMENTS AS LESSEE - CONTINUED

As of December 31, 2022, future minimum lease payments under noncancelable leases with terms greater than one year are as follows:

	Operating	
	<u>I</u>	Leases
2023	\$	9,000
2024 2025		9,000 8,250
Total Future Minimum Lease Payments Less: Amount Representing Imputed Interest		26,250 2,738
Present Value of Future Minimum Lease Payments Less: Current Maturities		23,512 7,491
Lease Obligations - Net of Current Maturities	\$	16,021

The following are required lease disclosures as of and for the year ended December 31, 2022:

Cash Paid for Amounts in the Measurement of Lease Liabilities Operating Cash Flows for Operating Leases	\$	125,578
Right-of-Use Asset Obtained in Exchange for Operating Lease Liability	\$	119,873
Operating Lease Cost	\$	125,578
Weighted-Average Remaining Lease Term - Operating Leases	2.92 Years	
Weighted-Average Discount Rate - Operating Leases	7.50%	

NOTE 18: COMMITMENTS

In November 2019, the Organization entered into a contract to license the use of an electronic medical record and practice management software. The contract requires monthly payments of \$2,103 and expires April 2025. Future minimum payments under this contract are as follows for the years ending December 31:

2023 2024	\$ 25,236 25,236
2025	8,412
	\$ 58,884

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors of Jewish Family Services of Delaware Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Jewish Family Services of Delaware Inc. (JFS) (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated May 24, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered JFS' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of JFS' internal control. Accordingly, we do not express an opinion on the effectiveness of JFS' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant

To the Board of Directors of

Jewish Family Services of Delaware Inc.

deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that

were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether JFS' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of

noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of JFS' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering JFS' internal control and compliance. Accordingly, this communication is not suitable for any other

purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors of Jewish Family Services of Delaware Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Jewish Family Services of Delaware Inc.'s (JFS) compliance with the types of compliance requirements identified as a subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on JFS' major federal programs for the year ended December 31, 2022. JFS' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, JFS complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditors' Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of JFS and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of JFS' compliance with the compliance requirements referred to above.

To the Board of Directors of Jewish Family Services of Delaware Inc.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to JFS' federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on JFS' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about JFS' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding JFS' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of JFS' internal control over compliance relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances and to test and report on internal control over
 compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on
 the effectiveness of JFS' internal control over compliance. Accordingly, no such opinion is expressed.

To the Board of Directors of

Jewish Family Services of Delaware Inc.

We are required to communicate with those charged with governance regarding, among other matters, the planned

scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over

compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance

does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in

internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type

of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in

internal control over compliance with a type of compliance requirement of a federal program that is less severe than

a material weakness in internal control over compliance, yet important enough to merit attention by those charged

with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors'

Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in

internal control over compliance that might be material weaknesses or significant deficiencies in internal control

over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control

over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or

significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over

compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of

internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance.

Accordingly, this report is not suitable for any other purpose.

JEWISH FAMILY SERVICES OF DELAWARE INC. NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS DECEMBER 31, 2022

NOTE 1: BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal award activity of Jewish Family Services of Delaware Inc. (JFS) under programs of the federal government for the year ended December 31, 2022. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the activities of the operations of JFS, it is not intended to, and does not, present the consolidated financial position, changes in net assets, or cash flows of JFS.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

JFS has elected to use the 10 percent de minimis indirect cost rate for federal awards as allowed under the Uniform Guidance.

NOTE 3: LOW-RISK AUDITEE DETERMINATION

To be classified as a low-risk auditee, an organization must have been subject to audits performed in accordance with the Uniform Guidance for each of the preceding two fiscal years. This is the first year JFS was subject to an audit in accordance with the Uniform Guidance, and therefore, does not qualify as a low-risk auditee.
